In 2010 we – Law Partnership Tascheva & Partner, approached the company OneTwoWeb with an assignment for a planning, web design, development and google optimization of our website. We also asked for advice on web hosting and ongoing maintenance issues.

OneTwoWeb has fulfilled the assignment with professionalism and dedication. We are satisfied with their performance which met our expectations. Mr. Stoyan Dobrev, the manager, has assisted us with creative solutions tailored to our needs and requirements. His sincerity and hard work in providing us with an excellent service have earned our appreciation.

Sincerely,

N.Tascheva
